

## **2018-2019 United Synagogue Youth (USY) Leadership Application**

We encourage all of our members to enjoy the adventure of being a leader in USY.

If you are interested, we are looking to include more members in the roles of Ruach, Social Action/Tikkun Olam, Religious Education, Junior Leadership Council, and Kadima Leadership Council.

For Ruach VP we have an opening for the Executive position (grades 9th-12th) which entails attending executive board meetings, planning and leading programs to get the members pumped up, leading ruach sessions, putting together merchandise to show our chapter and regional ruach, helping plan and attend our Kinnus March 29-31, and connecting with the Regional Executive Vice President chair to keep TBS-EV included in the Regional programs.

For Social Action/Tikkun Olam (SATO) we have an opening for the Executive position (grades 9th-12th) which entails attending executive board meetings, planning and leading SATO programs, helping plan and attend our Kinnus March 29-31, and connecting with the Regional SATO chair to keep TBS-EV included in the Regional SATO programs.

We also would like to have a student or two (in grade 7-12th) to help this board member keep the ball rolling for such programs called the SATO Committee Chair(s).

For Religious Education we would like to have a student or two (grades 7-12th) to help this board member keep the ball rolling for such programs called the Rel Ed Committee Chair(s).

This year we are starting two new positions, the Junior and Kadima Leadership Council. These positions are to allow the Jr Usy (grades 7-8th) and Kadima (grades 4-6th) groups to be more involved in the planning process as well as to foster and encourage future leadership. We hope to have one or two of each that will attend occasional meetings and work with different executive board members on programs and planning.

If you are interested in any of these positions, please complete the following form and have it sent to [sarah.bochenek@tbsev.org](mailto:sarah.bochenek@tbsev.org) by July 1st. (If a student that may be interested is away and cannot connect with us by July 1st, please let Sarah know)
